EXPERIENCE

Intern as Frontend Developer

Softicera 08/2024 - 02/2025 Faisalabad, Pakistan

A technology company focused on web application development

- Responsible for designing, developing and maintaining modern web applications
- Collaborated closely with cross-functional teams to deliver high-quality scalable and user-friendly solutions using the latest web technologies
- Developed responsive and interactive user interfaces using HTML5, CSS3, JavaScript and React.js
- Gained valuable experience working within a specific industry, applying learned concepts directly into relevant work situations

PROJECTS

E-Commerce Website

04/2025 - 05/2025 Faisalabad, Pakistan

A fully functional e-commerce website

- Developed a responsive, mobile-first e-commerce application using MongoDB, Express.js, React.js, and Node.js
- Featured dynamic product listings with category and price filters, real-time search, and JWT-based authentication
- Built a persistent shopping cart with local storage and MongoDB synchronization, integrated payment processing, and designed an accessible, animated UI using Tailwind CSS

Portfolio Website

04/2025 - 05/2025 Faisalabad, Pakistan

A professional portfolio website

- Designed and developed a modern, responsive portfolio using MongoDB, Express.js, React.js, and Node.js
- Showcased projects, skills, and professional background
- Implemented smooth scroll animations, interactive UI elements, hover effects, and CSS variables for enhanced user experience

Task Management App

06/2025 - 06/2025 Faisalabad, Pakistan

A task management application for enhancing productivity

- Built a productivity-focused task management application using MongoDB, Express.js, React.js, and Node.js
- Featuring secure user authentication with bcrypt, and full CRUD operations for task handling
- Emphasized robust data handling and responsive UI to enhance user experience and efficiency

EDUCATION

Bachelor of Science in Computer Science

University of Agriculture

09/2020 - 06/2024 Toba Tek Singh, Pakistan

Intermediate - Pre-engineering

Islamia Group of College

09/2018 - 06/2020 Toba Tek Singh, Pakistan

SUMMARY

I am a creative and detail-oriented MERN Stack Developer with practical experience in developing responsive, user-centric web applications. I excel at transforming UI/UX designs into robust, maintainable code, ensuring performance optimization across devices. My strong problem-solving skills and clean coding practices allow me to deliver high-quality digital experiences while staying updated with modern technologies
